

EB #	10:147
Position	Superintendent
Status	Full-Time
Type	Excluded
Location	Prince George and North Vancouver Island
No. of Positions	2
Salary Range	Salary will be commensurate with education and experience

Bring your expertise, enthusiasm, and leadership in emergency medical services to join the management team of health professionals who are dedicated to providing British Columbians with the finest in pre-hospital emergency care.

As part of the management team for the region, you will provide strategic and operational leadership in a 24X7 operation and have responsibility and be accountable for planning, delivering and evaluating ambulance services in a designated geographical area. In this role, you will be responsible to determine the optimum utilization of limited financial and human resources to ensure the efficient, effective, and safe delivery of ambulance services within an assigned district.

To be successful in this role, you bring a combination of clinical experience with at least two years of progressively responsible supervisory experience in a unionized environment and post secondary education in business or a health care related field. You have proven influential leadership, coaching, mentoring, communication, and supervisory skills and have the ability to engage employees and stakeholders while delivering a service that meets or exceed expectations as you consistently find the balance between operational requirements, safety, and client needs. Applicants with an equivalent combination of education and experience are encouraged to apply.
