

Letter from the Elijah Family

We just wanted to thank you and your team for all that you did for John on Oct 26, 2010.

Thanks to you, your team and the quick actions of John's friends from work, he is home, doing well and is here to celebrate Christmas with us.

We can't possibly thank you enough for all that you did and for giving John a second chance.

You gave us our early Christmas Present!

Thank you again and we wish you, your team and families a Very Merry Christmas and a Happy and Healthy New Year!

Merry Christmas

The Elijah Family
