

British Columbia Ambulance Service

Patient Thank You Email January 10, 2011

I would like to thank the paramedics that assisted and assessed my Granddaughter, Taya, at the Tsawwassen Ferry Terminal on Friday, January 7th. The paramedics were extremely helpful by providing oxygen and assisting my granddaughter after she fainted on the Queen of New Westminster. The Chief Stewart on the Ferry called for the ambulance and had my granddaughter taken off the ferry to be assisted by the paramedics. My granddaughter was very frightened and scared and was put to ease by the professional paramedics that cared for her.

Thank you for what you do. Taya's mother and I are very grateful.
