Dear Mr. Wassink:

As Principal of Mount Elizabeth Secondary School, I would like to take this opportunity to personally thank your organization for their support of the High School CPR Program as offered through the Advanced Coronary Treatment (ACT) Foundation of Canada.

Without the time you contributed to instruct our Teacher Training Workshop, our students could not have experienced this excellent program for skill building and personal growth.

Thank you for your part in empowering youth to save lives.

Sincerely,

Sheila Burton, B.Ed., M.Ed.
Principal
