Dear Mr Doney:

The Act Foundation has an active CPR program in our School District and it is my understanding that your organization is a contributing member to our District as well as all other Districts in the Province.

I would like to express my appreciation to your membership for their dedication to this outstanding youth oriented program.

With the recent emphasis on living a healthy life style the CPR program will enlighten and encourage those fortunate enough to take part in a truly meaningful and potentially living saving activity.

Thank you for your continuing support!

Yours truly,

Blair Lekstrom, MLA
