Dear Lee:

Please accept our thanks for your contribution to the ACT High School CPR Program. Our school took advantage of the training for teachers and as a result, we will be able to pass on this valuable training to our Grade 10 students.

Giving the students the opportunity to learn CPR as a life skill teaches them responsibility, builds self-esteem and will ultimately save lives.

Again, thank you for your contribution to this valuable program.

Yours truly,

John Fawcett
Principal
