Paul Linza

Unit # 109

9296 Hazel Street

Chilliwack, BC V2P 5N6

Dear Mr. Linza,

On behalf of the teachers and students of Sardis Secondary, I wish to thank you for your support of the ACT High School CPR Program. It is only through the generous donation of time and energy from instructors like yourself that a program that relies heavily on implementation support as well as material resources can become a success.

As a result of the training that you have provided to our teachers, these valuable CPR lifesaving skills are now being passed on to our students. With this knowledge these young people become more self-confident, as it empowers them to react with confidence in the face of life threatening incidents.

As a paramedic and CPR instructor, I am sure you are fully aware of the rippling benefit to communities across BC, as our young people become better equipped to handle emergent situations, whether it be performing the Heimlich Manoeuvre on a fellow classmate at school, or coming to the rescue of a stranger in trouble in the waters of Cultus Lake.

Again, thank you for your support of this vital initiative.

Sincerely,

Bob Long
